Stop sharing

Consumer Data Right gives you the right to share your data between service providers. You can find more at our data sharing (CDR) policy.

Are you sure you want to stop data sharing?

This means Test Data Recipient will no longer have access to your data under this arrangement.

Things you should know

- You should check with Test Data Recipient before you stop sharing as it may impact services they provide.
- You should check with Test Data Recipient to learn about how they handle your data once it's no longer required.
